

**Location: Budapest**

**Meeting 3**

**Notulist: Yves Vranken**

### Schools Present:

- K.A. Aarschot (Belgium): about 400 students – sport section will join the Comenius programme.
- Lycée Pablo Picasso (France): about 1600 pupils – 2 sections: general education and technology – no special sport sections – European section: 2 extra subjects in English (history and geography).
- Instituto Professionale di Stato per I Servizi Commerciali Turitici e della Pubblicita "G.Falcone" ( Italy): 4 specialities among which a sport section which is financed by a private person – want to organise the last meeting (spring 2011).
- Theodor-Heuss-Realschule Kornwestheim (Germany): about 650 pupils – bilingual teaching (English) in geography, history and sports – sports oriented: pupils can choose between sports, art and music. The sports are organised in association with partners from out of school.
- Kapocs Primary and Hungarian-English Bilingual School (Hungary): specialised in English: a lot of the subjects are taught in English – sports lessons every day – joined a previous Comenius project on present, past and future of European youngsters.
- Silverdale school (UK): about 1800 students – mixed comprehensive school - ± 30% ethnic students (India, Somalia, China, etc.) – good exam results – great facilities (especially sports and technology).

### Meeting 1: Mental work of the project

What was expected to prepare for this meeting in Budapest?:

- a. Everybody had to invent a new sport (this could be a combination of two existing sports) that can be played in a team. Again everybody had to work out the rules , the equipments, exercises, etc. For example: swimming + tennis
- b. Brief intro's and demo's will be presentated by students
- c. The sports which are been invented and presentated should be practiced by all members of staff and students
- d. Find a date for the last meeting in Italy
- e. Preparatory work for Italy. Each partner has to bring to the meeting a word-document and

for the final meeting in Italy you can show the PP-presentation and CD or movie about their new sport.

### **Meeting 2: Demo's (powerpoints, movies,...)**

Belgium team: Foothonk ( powerpoint + movie )

France team: tennis basket ??

Italian team: Tamburello ( movie + word-doc )

German team: Fitness and healthfood ??

Hungarian team: sports

English team: ???

### **Meeting 3: Sports activities**

After presentating the powerpoints and the movies we had some action by playing the games which were invented.

Each country oranised his "new game" among all the other countries. Survive of the fittest!!!
