

Report Comeniusmeeting Italy 08-12/02/2011

Meeting 1 & 2

- A word of welcome by the head teacher of 'G.Falcone' of Palazollo, Mr. Emilio Luzi
- René (co-ordination) welcomes everybody and thanks the Italian team for being host for this meeting. He gives an overview of all things being done during the last 2 years in this project.
- The main items for the meetings in Palazollo are: to present the end product from each school, to give an overview of necessary data to collect to make the final document.
- What did we do?:
 - 2009-2010
 - ** movie (*.wmv) from traditional or local game/sport
 - ** brief summary (*.doc) for rules, history, used materials, field,....
 - ** document comparing content P.E.-lessons and curriculum in EU-school(s)
 - 2010-2011
 - ** movie 2nd traditional or new created sport
 - ** summary for rules, etc..
 - ** activity list Comeniuswork each school (when, what, where, who)
 - ** brief introduction school: ½ A4 doc
 - ** personal schoolwebsite with Comenius-link available?
- To propose the new project, co-ordinated by Graeme, to explain the goals and fill in the necessary documents and the application form.

Meeting 3

- René explains what happens after this meeting:
- As coordinating school, KA Aarschot will start the last part from the project as soon as we have all Your documents (sended).

- We will produce:
 - a final report (on EU doc)
 - a CD or DVD or usb-storage compilation from different sports
 - a book including as much as possible information about the complete projectwork
 - KA will sent (5 to 10) ex. to each partnerschool end May 2011.
 - every school needs at least 1 copy for finalisation project and sending to N.A.!

A final word for all the participants:

Thank you for joining the project,
having worked with your pupils in a EU content,
spending your weekends with pupils somewhere in Europe,
travelling in the EU with pupils,
and doing so much additional work,

Congratulations & thanks

For organizing all the nice meetings in:

Sheffield (UK) (thanks to Graeme and the UK team)
Perpignan (F) (thanks to Hadda and the France team)
Budapest (HU) (thanks to Erika and the Hungarian team)
Palazzolo O/S (IT) thanks to Gian-Carlo and the Italian team)

Thanks:

To all the participating headmasters for their positive cooperation
and for understanding what some teachers are working for:
“sending a european dimension to the pupils”

***“Logic will get you from
A to B, imagination will
take you everywhere”***
